REGISTRATION FOR INSURANCE

The insurance is available for children and young people under **18 years of age**, and for students under **25 years of age**.

You can register your child for accident insurance in any calendar month.

BASIC INFORMATION ABOUT INSURANCE

1. The programme is operated by **InterRisk TU S.A. Vienna Insurance Group**, one of the leading insurance companies offering accident insurance for children and young people at educational institutions and universities in Poland.
2. This is group insurance under an insurance agreement; **the employer is the policyholder**, and the persons insured are the employees' children.
3. **The insurance cover includes consequences of accidents and illnesses.**
4. The insurance is valid **24/7** and protects children at educational institutions and in their time off, in Poland and abroad, exclusive of assistance incidents and the costs of medical treatment.
5. **The monthly insurance premiums are deducted from the employee's salary, in the full amount for each insured child.**
6. The insurance cover is provided from the first day of the calendar month for which the first premium is paid.
7. The insurance covers competitive sports
8. **In case of termination of the employee's employment, commencement of the employee's unpaid leave, or the employee's loss of rights, the employee may request that the insurance cover for their child be continued subject to payment of the total amount of premiums due until the expiry of the accident insurance agreement.**
